

GRINDSTONE

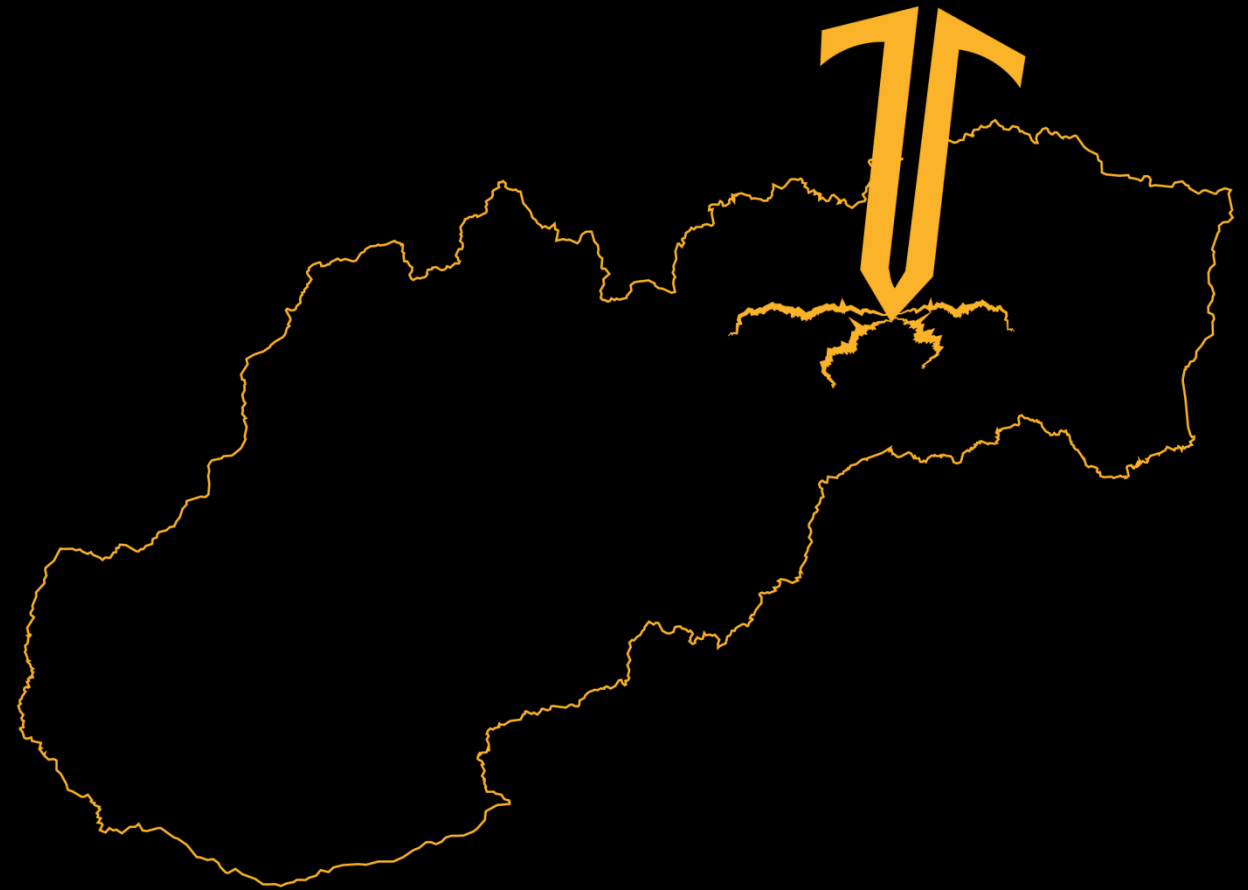

business-driven creative holding

WE ARE ON A JOURNEY

“A journey towards creating diverse ecosystem of game development studios, education startups, events and media companies all unified around gaming.”

We started in Slovakia, where we are real pioneers in portfolio approach, building living ecosystem of companies and synergies.

However, our aspirations for further growth and development reach beyond our local markets and geographies.

WE KNOW OUR CRAFT

led by Peter Nagy

- 20+ years of experience in gaming, 20+ released games
- founder, CEO and Creative Director of Games Farm, one of the most experienced and awarded games studios in Slovakia with 20+ years of history
- currently developing multimillion franchise with one of industry leaders – Norwegian giant Funcom, owned by Tencent

driven by experienced studio

- Slovak Game of the Year 2017 and 2018 Award winner
- leading studio with 40+ headcount, 1.5 M revenues (2019)

SHADOWS AWAKENING
